

GETTING TO KNOW...

NAME: MERCY BIHA.

FORM: THREE

Lynsi Love Secondary School & Orphanage

What I enjoy most about Lynsi Love is?

Nice environment.
Strict teachers.
Talented and brave students.

Three adjectives others might use to describe me are...

short, brown, obedient girl

My favorite things/hobbies to do when I am not in school are?

Dancing and singing at church.
Going to places to visit friends.
Going swimming

I admire? Having my own talent show.

Because? there are people that are jobless and also children that haven't gone to school because of many reasons. They can perform their talents and it can take them to their dreaming careers.

I consider my family to be?

Simple and successful.

I feel I will need to do the following to get to where I want to be in 5-10 years from now?

To be God fearing.
Work hard in school.
Put God first in everything.
Do all my duties.
Respect everyone

A typical day at school for me....

is on Friday. The day we participate in C.W. I love singing, so I always join my colleagues, the praise and worship team in leading in worship. I love worshipping.
